Miss Eva Clark,
Jonesboro, N.C. Rt. #3,

Dear Madam:

Your paper money of the dates you mention are not at all rare. They sell in the trade anywheres from 5 to 25¢ each, according to condition, etc. The reason these do not bring more is because nearly all of the paper money issued during the Revolution was never redeemed so that countless thousands are still in existance, and there are but few collectors of such kinds of money.

Very truly yours,

Curator
